NO. 462 BROADWAY, ALBANY.

New York Life Insurance Company,
Nos. 112 & 114 Broadway, New York.
ESTABLISHED 1845.

TEN YEAR PLAN—NON FORFEITURE!

MORRIS FRANKLIN, *President.* PLINY FREEMAN, *Actuary.*
ISAAC C. KENDALL, *Vice-Prest.* WM. H. BEERS, *Cashier.*

General Agent, Local Agent,

☞ This is a purely Mutual Company, all the profits being divided among the assured annually.

The **NEW YORK LIFE INSURANCE COMPANY** has been now in operation seventeen years, and has accumulated a capital of \$2,200,000. Its Dividends have never been less than 30 per cent on the premiums paid, and it has disbursed to widows and orphans over \$1,200,000. It has deposited with the Comptroller of New York State, as an evidence of good faith, to secure Policy Holders, \$100,000, and its Trustees in New York City, are of the very first and reliable names. The affairs of this Company show a lively prosperity, and each successive year, this great society, after disbursing some two or three hundreds of thousands of dollars, are adding to their capital the like amount.

In accordance with the requirements of the Charter, the funds of the Company are invested in stocks created by or under the laws of the State of New York, or of the United States, or on unincumbered real estate, worth fifty per cent more than the amount loaned thereon.

TEN YEAR PLAN—NON FORFEITURE.

ORIGINATED BY THE NEW YORK LIFE.

By the table on which this class of policies is based it would seem that a person incurs no risk in taking out a policy. Insuring to-day for \$5000, if he die to-morrow, the \$5000 immediately becomes a claim, and if he lives ten years, and makes ten annual payments, his policy is paid up; nothing more to pay and still his dividends CONTINUE, making his life policy a source of income to him while living. The principal argument of weight offered against life insurance is, that a party might pay in for a number of years, and then, by inadvertence, inability, &c., not be able to continue paying, and then lose all he has paid. The NEW YORK LIFE INSURANCE COMPANY has done much to obviate this objection by their TEN YEAR PLAN AND NON FORFEITURE. A party, by this table, cannot forfeit what has been paid in. Thus, if one insuring by this plan for \$5000 discontinue after the second year, the Company will give him A PAID UP POLICY, according to the number of years paid in, viz:

Second year, two-tenths of amount insured,	\$1000
Third " three-tenths of \$5000 "	1500
Fourth " four-tenths " "	2000
Fifth " five-tenths " "	2500

And so on until the tenth annual payment, when ALL is paid and DIVIDENDS STILL CONTINUE.

PREFACE.

The publishers in presenting the fourth SCHENECTADY DIRECTORY would invite the attention of the public to its completeness and accuracy.

The renumbering of the city, and the five or six hundred additional inhabitants whose names are found in the present work, rendered its compilation a matter of necessity, and we have endeavored to meet the requirements of the times.

The *County Directory*, an unique feature in such publications, which will be of great service to the citizen and stranger, has added much to our labors, and will be found very perfect.

In our advertising pages will be found almost every variety of merchandise; and we feel grateful to our patrons for their liberal favors in this direction, as the low price of the book leaves small margin for profit on its sale.

We trust that the appearance of the work will be a sufficient evidence of our thanks to those who have kindly aided and encouraged us in its execution.

Schenectady, July, 1862.

MOHAWKVILLE.

At Mohawkville, in the town of Rotterdam, situated $2\frac{1}{2}$ miles south of Schenectady, one of the healthiest and most splendid locations for a village in the state, is the **THREAD AND TWINE MANUFACTORY** of Henry M. Crane.

The number of inhabitants at present is about 300. The grounds of Mr. Crane are superb, being laid out in parks and magnificent drives of various lengths. Mr. C.'s business we find, extends through every state in the Union. Persons wishing a nice drive will be very much gratified and surprised at the beauty which this little village affords, and will always find Mr. C. willing and ready to show them through his grounds.

TO CONTRACTORS & BUILDERS.

MOSES M. JONES,

Wholesale

COMMISSION SLATE DEALER, And Practical Slater & Roofer,

Is fully prepared to execute all orders for SLATES and SLATING with promptness and dispatch, and feels warranted in assuring his patrons prompt attention and unquestionable satisfaction.

To those that have old buildings to re-roof, he would say put on Slate Roof, because, when the old frame, barn or house is rotting down, the Slates are as good as before, and can be taken off, without loss, and put on the new building as good as ever. Prices reasonable.

He has also made arrangements with the Penrhyn Mantel and Slate Company, of Middle Granville, for a full supply of all kinds of Slate Slabs of any size or thickness, Mantel Pieces, Bath and Wash Tubs, Shelves, Pantry and Larder Tables, Sinks, Salting and Milk Vessels, Cisterns, Filters and Billiard Table Tops.

All orders promptly attended to when directed to

BOX 277 SCHENECTADY P. O.,

Or at his Residence, No. 25 Yates Street.

Office opposite R. R. Depot, between State & Liberty Streets.

N. B. Old Shingle and Slate Roofs bought and stripped and old roofs repaired.
